## **BLOCKCHAIN REVOLUTION**

*A Decentralized future A block chain is a distributed database that is shared among. The nodes of a computer network. As a database, a Block chain stores information electronically in digital format. Block chains are best known for their crucial role in cryptocurrency systems, such as Bitcoin, for maintaining a secure and decentralized record of transactions.*

*Dapp equivalent to App is a decentralized platforms based on various cryptos such as Ethereum, Binance smart chain, Cardano, Tron, Etc...*

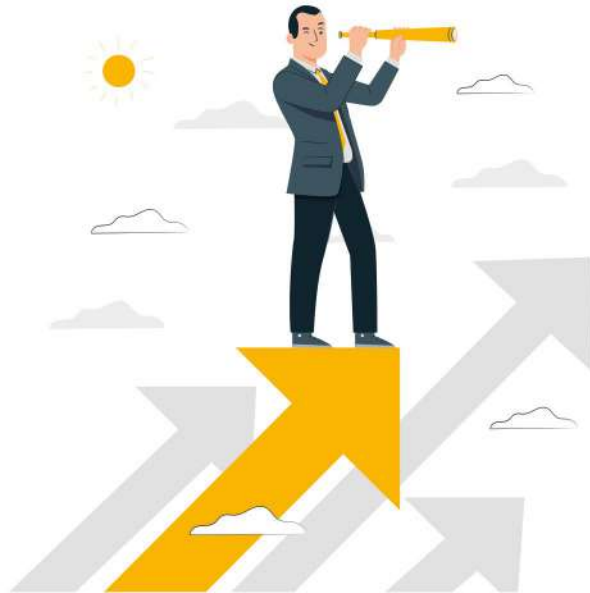

## ABOUT US:

In VCRR, you will be rewarded for the valuable feedback you provide, as well as for sponsoring other participants who do the same. Despite the fact that the opportunity is unlimited, the results will vary based on the social levels and reviews of each participant. Because we respect the privacy of our users, VCRR will not share your personal data information with their clients.

In order to build brands, we provide market feedback to companies. For betterment of huge brand building, our loyal customers give their reviews and rate your products and services.

## Our Vision & Mission:

**Vision:** Transform boring and distracting advertisement watching into an exciting experience with employment opportunities.

**Mission:** To provide employment work from home to every individual around the world with no special requirements on just their finger tips.

*VCRR International has learned a few tricks and lessons from his meme father, VCRR International . A new crypto birthed by fans of the VCRR International online community. VCRR International seeks to impress his father by showing his new improved transaction speeds & adorableness. He is Hyper-deflationary with static reflection that rewards holders, so more VCRR International are being automatically added to your wallet each transaction. Simply Love, pet, and hold as 5% from each transaction is automatically redistributed to VCRR International holders.*
